HOW TO USE THE REGISTRY

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

HOW TO USE THE REGISTRY

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

HOW TO USE THE REGISTRY

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

HOW TO USE THE REGISTRY

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

HOW TO USE THE REGISTRY

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

HOW TO USE THE REGISTRY

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PN" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

HOW TO USE THE REGISTRY

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Leases, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

SPECIAL MEETING AT SAN FRANCISCO INTERNATIONAL AIRPORT

Members of the Business Community and Organizations are cordially invited to attend a special meeting highlighting the Airport's Master Plan for a new International Terminal that is targeted for completion in 1993. Our agenda will focus on: 1) the Pacific Basin trade and its impact on the development of the International terminal; 2) business opportunities in the management, design and construction of the terminal; and 3) food/beverage and retail concession opportunities.

The meeting will be held on Thursday, November 9 at 9:00 a.m. - 10:30 a.m. in:

Conference Room 509, Fifth Floor
International Terminal
San Francisco International Airport

The focus is on the business community. Please let us know if your clients and/or representatives from your organization will attend by calling Sandra Crumpler at (415) B76-2215.

HOW TO USE THE REGISTRY

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelopes provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

HOW TO USE THE REGISTRY

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.

HOW TO USE THE REGISTRY

The City and County of San Francisco uses a competitive bidding system to purchase the materials, supplies, equipment and services used by various City departments. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall to pick up copies of bid documents. Documents should be requested by bid number.

Four (4) digit bid numbers identify contract documents called QUOTATIONS and are generally under \$10,000. Four digits followed by "PM" are over \$10,000.

Five (5) digit bid numbers identify documents called PROPOSALS, are for a specific term, and are over \$50,000.

Three (3) digit bid numbers are for specific items and definite quantities.

Quantities and a more detailed description of the commodity or service being purchased are shown on the bid document itself. Completed bids should be returned in the envelope provided no later than the date and time indicated on the document. Bids are opened publicly and vendors may be present at the opening.

To bid on the Construction, Lease, Concession and Consultant contracts, prospective bidders should call the contact person listed to obtain bid documents and/or requests for proposal.
